**Web:** HTML, CSS, JavaScript, Bootstrap, MySQL, WordPress

**Others:** Adobe Photoshop, Adobe Illustrator, Adobe Premier Pro

## Projects

### Analog Digital Clock

HTML, CSS, JAVASCRIPT

January 2021

- A beautifully designed website in which we can see time from Analog Clock as well as Digital Clock. The great use of CSS made this website very beautiful and attractive. This website is built using HTML, CSS, JavaScript and Bootstrap.
- Website: <http://sadanandkumar.000webhostapp.com/>

### My Personal Website

HTML, CSS, JAVASCRIPT, BOOTSTRAP

January 2021

- My Personal Portfolio Website where I have mentioned my Project works, my Resume, and some details about myself.
- Website: <https://sadanand-kumar.github.io/>

### RPS game

HTML, CSS, JAVASCRIPT

January 2021

- Created a simple Rock Paper Scissors game using HTML, CSS, and functions of JavaScript. You will play Rock Paper Scissors against the Computer. Once you started to play, you will get addicted to it.
- Website: [https://sadanand-kumar.github.io/RPS\\_game/](https://sadanand-kumar.github.io/RPS_game/)
